

Cubist Face

	4	3	2	1
Face and Features (<i>eyes, ears, mouth, nose, etc</i>)	I have a face with one part facing forward AND one part facing sideways. I have all the facial features AND at least one of them is made of multiple layers.	I have a face with one part facing forward AND one part facing sideways. I have all the facial features although none of them are made of multiple layers.	I have a face that is either facing forward OR sideways. I have most of the facial features although none of them are made of multiple layers.	I do not have a face. I did not add facial features.
Color	My paper is completely painted in abstract shapes. I used bright, bold colors and outlined each color section in black.	My paper is mostly painted in abstract shapes. I used bright, bold colors and outlined most color sections in black.	My paper is completely painted, but I didn't use abstract shapes. I used bright, bold colors and outlined some color sections in black.	My paper is hardly painted. I did not outline my color sections in black.
Use of Materials	I made good use of the materials I was given. I used only what I needed. I returned my supplies to my cubby each day. I cleaned my table space at the end of each period.	Sometimes I made good use of most the materials I was given and I used only what I needed. I sometimes returned my supplies to my cubby. I sometimes cleaned my table space at the end of each period.	I did not always make good use of the materials I was given. I sometimes returned my supplies to my cubby. I may not have always cleaned my table space at the end of each period.	I did not make good use of the materials I was given. I did not return my supplies to my cubby each day. I did not clean my table space at the end of each period.
