

Gesture & Contour Drawings

1. Fold paper into 8 boxes. Unfold. Put your name and class period on the back.
2. Choose 4 different actions from the list below, or choose your own!
3. Do one gesture drawing in each of the top 4 boxes. Think about the lines you use and the expressive qualities they have.
4. Label each box with one action.
5. THEN draw one contour drawing to match each of the gesture drawings above it. Only draw the outline of the body.
No texture. No shading. No fine details.
