

Shape & Form Drawings

1. Fold paper into 8 boxes. Unfold. Put your name and class period on the back.
2. Holding the paper vertically draw each of your four 2D shapes in the left column.
3. Create a 3D form for each of your shapes in the right hand column.
4. Don't forget to include the shading!
5. Label each of your shapes AND forms with the correct name!
6. Turn it in to the wire basket on the back counter.
